SPECIAL EDUCATION: DEAF & HARD OF HEARING (MA)

CAREER LEVEL
Graduate

DEGREE
Master of Art

COLLEGE
College Of Education

The Special Education Deaf and Hard of Hearing program prepares teachers to work effectively with students who have varying degrees of hearing loss and use a range of communication modes.

Courses emphasize communication and literacy development with an emphasis on addressing the needs of students within public school settings. Although the program emphasizes students in public schools, graduates are prepared to work in the continuum of educational settings.
