GOVERNMENT AND PUBLIC SERVICE (BA)

Explore challenging ideas and thought-provoking classes that develop a continuing and responsible interest in political participation and public affairs.

The Bachelor of Arts in Government and Public Service prepares students for careers in federal, state and local government; business; law enforcement; international and non-profit organizations; journalism; and other professions, as well as graduate school and law school. It offers a well-balanced program that stresses theory and practice, and courses emphasize American government and institutions, intelligence and security, and law and justice. The coursework promotes important skills, such as how to research efficiently and effectively, analyze data accurately, think critically about implications, and draw conclusions that will lead to new knowledge as well as practical solutions for the modern world.
