INTELLIGENCE STUDIES (APPLIED SCIENCE BAS)

CAREER LEVEL
Undergraduate

DEGREE
Bachelor of Applied Science

COLLEGE
University Of Arizona South

The Bachelors of Applied Science Degree in Intelligence Studies is for students seeking a career in an intelligence-related career path. The degree serves students who have earned an Associates of Applied Science, civilians working with defense contractors, and active-duty military personnel. Topics covered in the intelligence degree emphasize the historical and political context of the intelligence field and provide students with a deeper social and cultural understanding of world regions critical to U.S. national and international intelligence communities.
